

EXHIBIT A

**AMENDED AND RESTATED ASBESTOS BODILY INJURY
SETTLEMENT AGREEMENT**

This Amended and Restated Asbestos Bodily Injury Settlement Agreement (this “Amended Agreement”) is made as of the Execution Date by and among W. R. GRACE & CO. (“Grace”) and TIG Insurance Company, formerly known as Transamerica Insurance Company (hereinafter referred to as “TIG” and/or the “Subject Insurer”). As used in this Agreement, Grace and TIG shall be referred to hereinafter collectively as the “Parties.”

WITNESSETH THAT:

WHEREAS, TIG issued a certain insurance policy to Grace as more fully set forth and identified on Attachment A hereto (hereinafter referred to as the “Subject Insurance Policy”); and

WHEREAS, Grace has incurred, and the Trust (as defined below) may incur in the future, certain liabilities, expenses or losses that might impact the products liability aggregate limits of the Subject Insurance Policy, including claims, proceedings and actions made, asserted or filed, or which may in the future be made, asserted or filed, against Grace or the Trust by claimants alleging bodily injury arising out of exposure to asbestos or asbestos-containing materials; and

WHEREAS, Grace and the Subject Insurer previously entered into an “Asbestos Bodily Injury Settlement Agreement” dated July 18, 2000 (the “2000 Agreement”); and

WHEREAS, Grace and the Subject Insurer had satisfied all of their respective obligations under the 2000 Agreement prior to April 2, 2001; and

WHEREAS, on or about April 2, 2001, Grace and various affiliated companies filed voluntary petitions under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware, In re W. R. Grace & Co., et al., No. 01-01139 (JKF) (the “Bankruptcy Case”), and they continue to operate their businesses as debtors and debtors-in-possession; and

WHEREAS, the proposed Joint Plan of Reorganization in the Bankruptcy Case contemplates the creation of the Trust under Bankruptcy Code Section 524(g) to direct the processing, liquidation and payment of claims for bodily injury due to exposure to asbestos or asbestos-containing materials; and

WHEREAS, the Parties disagree regarding the extent to which their respective rights and obligations under the 2000 Agreement will continue to apply in the event that the Joint Plan of Reorganization is approved in the Bankruptcy Case;

WHEREAS, the Subject Insurer has filed objections to confirmation of the Joint Plan of Reorganization proposed by Grace and other proponents of the Joint Plan of Reorganization in the Bankruptcy Case; and

WHEREAS, the Parties wish to fully and finally compromise and resolve their disputes regarding the application of the rights and obligations under the 2000 Agreement to the changed circumstances occasioned by the filing of the Bankruptcy Case by amending the 2000 Agreement and entering into such supplemental agreements as are necessary in light of such changed circumstances; and

WHEREAS, this Amended Agreement is strictly a business accommodation, unrelated to the merits of the respective claims of the Parties hereto, subject to a complete reservation of rights as to matters not specifically resolved by this Amended Agreement,

and without prejudice to the Parties' respective positions on policy wording or coverage pursuant to the Subject Insurance Policy; and

WHEREAS, the Parties acknowledge that this Amended Agreement is not intended to govern any other claims for which Grace or the Trust may in the future seek coverage from the Subject Insurer under the Subject Insurance Policy or otherwise;

NOW, THEREFORE, in consideration of the foregoing and of the mutual agreements herein contained, and subject to the terms and conditions set forth below, and intending to be legally bound, the Parties agree as follows:

I. SCOPE OF AGREEMENT

This Amended Agreement sets forth an arrangement among the Parties under the Subject Insurance Policy by which the Subject Insurer shall reimburse the Trust for amounts to be paid by the Trust for Defense Costs and Indemnity Payments in connection with Bodily Injury Claims that constitute Asbestos PI Claims (as defined below). 19. **“Execution Date”** shall mean the first date on which both W. R. Grace & Co. and the Subject Insurer have executed this Amended Agreement.

20. **“Final Order”** shall mean an order or judgment (including any modification or amendment thereto) that remains in effect and has not been reversed, vacated, stayed or amended and as to which the time to appeal or seek review, rehearing or writ of certiorari has expired and as to which no appeal or petition for review, reconsideration, rehearing or certiorari has been taken or, if taken, remains pending.

26. **“Joint Plan of Reorganization”** shall mean the First Amended Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code of W. R. 32. **“Triggered Policy Years”** for a Bodily Injury Claim shall mean every policy year effective in whole or in part during the period beginning on the date on which the injured person was first exposed to a Grace Product and ending on the earlier of (i) the date on which the person’s disease first became known (i.e., the earliest of the date of diagnosis, death, claim or suit) or (ii) June 30, 1985. The determination of the date of an injured person’s first exposure to a Grace Product shall be based upon the following factors set forth in decreasing order of preference:

- a. The first date of the injured person's actual exposure to a Grace Product that is alleged to have caused the person's injury, based upon objective facts available to Grace or the Trust; or
- b. The first date of the injured person's claimed exposure to a Grace Product that is alleged to have caused the person's injury, as set forth in the complaint or other claim documentation, or as reflected by other information reasonably available to Grace or the Trust.

33. **"Trust"** shall mean the WRG Asbestos PI Trust established pursuant to the Joint Plan of Reorganization, or such other trust as may be established under Section 524(g) of the Bankruptcy Code to process and pay Asbestos PI Claims pursuant to a plan of reorganization filed by Grace, the Committee and the Futures Representative.

34. **"Trust Distribution Procedures"** shall mean the WRG Asbestos PI Trust Distribution Procedures substantially in the form attached as Exhibit 4 of the Exhibit Book to the Joint Plan of Reorganization.

III. REMAINING INSURANCE COVERAGE

The Parties agree and acknowledge (a) that the applicable products liability aggregates of the primary insurance policies issued to the Grace Group by Continental Casualty Company ("CNA"), Maryland Casualty Company, Royal Indemnity Company, General Insurance Company of America and Travelers Casualty and Surety Company (f/k/a The Aetna Casualty and Surety Company) have been fully and property exhausted;

and (b) for purposes of this Amended Agreement, Grace's remaining insurance coverage for Bodily Injury Claims as of April 2, 2001 shall be deemed to exist only in the years, and only in the amounts, set forth on Attachments A and B. The remaining insurance coverage reflected on Attachment B has been determined after allocating to the Excess Insurance Policies amounts paid by the Grace Group prior to April 2, 2001 with respect to Bodily Injury Claims.

IV. DETERMINATION OF TRIGGERED POLICY YEARS AND ALLOCATION OF DEFENSE COSTS AND INDEMNITY PAYMENTS FOR BODILY INJURY CLAIMS

Defense Costs and Indemnity Payments paid after April 2, 2001 with respect to Bodily Injury Claims shall be allocated among the Subject Insurance Policy and all other Excess Insurance Policies in accordance with the following procedures and the provisions of Article V.

A. The Trust shall determine the Triggered Policy Years for each individual injured person and all Defense Costs and Indemnity Payments paid by the Grace Group or the Trust with respect to the Bodily Injury Claims regarding such injured person shall be allocated equally among such Triggered Policy Years. By "allocate equally," the Parties mean the following:

1. For each individual Bodily Injury Claim the total sum of Defense Costs and Indemnity Payments for which the Trust seeks reimbursement (whether from the Subject Insurer or from other insurers) shall be spread among the Triggered Policy Years. The Parties acknowledge that law firms defending the Grace Group or the Trust on multiple Bodily Injury Claims may submit a single

report covering multiple cases and that the Trust will allocate such Defense Costs equally among all open cases defended by each such law firm. The Subject Insurer agrees to accept such allocation for purposes of this Amended Agreement.

2. Defense Costs and Indemnity Payments for a Bodily Injury Claim allocable to a Triggered Policy Year shall be allocated to the Trust for any Triggered Policy Year in which no remaining products liability coverage is available to the Trust and to the lowest layer Excess Insurance Policy with remaining products liability coverage for such Triggered Policy Year where coverage is available. Upon exhaustion of the lowest layer Excess Insurance Policy for a Triggered Policy Year, Defense Costs and Indemnity Payments allocable to such Triggered Policy Year shall be allocated to the next higher layer Excess Insurance Policy with remaining products liability coverage for such Triggered Policy Year.
3. Consistent with the foregoing, no allocation of Defense Costs or Indemnity Payments shall be made to (a) an Excess Insurance Policy that expires before the date of first exposure to a Grace Product or (b) an Excess Insurance Policy that incepts after the date of diagnosis, death or date of filing of the claim, whichever is earliest.
4. With respect to those policies which (a) fall within a Triggered Policy Year but are for a term of less than a full year or (b)

partially fall within a Triggered Policy Year, the Defense Costs and Indemnity Payments allocated to such a policy shall be computed by multiplying the Defense Costs and Indemnity Payments allocated to the Triggered Policy Year by a fraction, the numerator of which is the number of days in which such policy's term overlaps the Triggered Policy Year and the denominator of which is 365. With respect to those policies of coverage, the Defense Costs and Indemnity Payments allocated to such a policy shall be computed by multiplying the Defense Costs and Indemnity Payments allocated to the Triggered Policy Year by a fraction, the numerator of which is that policy's product liability limits and the denominator of which is the total product liability limits provided by that layer of insurance coverage for which the policy is a part.

5. To the extent that no insurance is available to Grace for a particular Triggered Policy Year (whether through exhaustion, insolvencies or otherwise), the Trust shall be responsible for all amounts otherwise allocable to that Triggered Policy Year under the provisions set forth above, whether for Defense Costs or Indemnity Payments.
6. The allocation of Defense Costs and Indemnity Payments to each Triggered Policy Year shall be performed in accordance with the quota share percentage of a layer of coverage agreed to by the participants in each layer.

7. Grace certifies that all Defense Costs and Indemnity Payments paid after April 2, 2001 for Bodily Injury Claims have been allocated in conformance with the provisions of this Article and the other terms of this Amended Agreement.

B. The Parties recognize that, in most instances, Defense Costs for Bodily Injury Claims shall be allocated among all years in the Coverage Block in proportion to the respective shares of Defense Costs allocable to such years under the Bell Curve Allocation Method.

V. GENERAL PROVISIONS REGARDING ALLOCATIONS

A. Allocation to each Triggered Policy Year of Defense Costs and Indemnity Payments for Bodily Injury Claims shall be made notwithstanding the presence of insurer insolvencies or the failures or refusals by the insurers of triggered Excess Insurance Policies to make payments in connection with such claims. Where, in accordance with the methodology contained in this Amended Agreement, an allocation of Defense Costs or Indemnity Payments is made to an Excess Insurance Policy that is not a Subject Insurance Policy, the allocation shall be treated, for purposes of this Amended Agreement, as if it will be paid under such Excess Insurance Policy up to its available limits, even if the insurer that issued such policy is insolvent, or fails to pay the allocation established by this Amended Agreement, or has separately agreed with Grace or the Trust to make payments on some other basis under such Excess Insurance Policy. The Subject Insurer acknowledges that it is aware that Grace or the Trust has entered into settlement agreements with other insurers with regard to coverage of Bodily Injury Claims under the Excess Insurance Policies and that allocations of Defense Costs and Indemnity Payments

under such other settlements may differ from the allocations to be made pursuant to this Amended Agreement. Nothing in this Amended Agreement shall be construed to in any way limit Grace's or the Trust's ability to enforce its rights against any insurer other than the Subject Insurer.

B. The amount of Defense Costs and Indemnity Payments paid by the Grace Group or the Trust after April 2, 2001 shall be determined without regard to any amounts already received by the Grace Group or the Trust, or received by the Grace Group or the Trust in the future, from other insurers, whether as a result of settlement agreements or otherwise.

C. Notwithstanding any other provision of this Amended Agreement, the Trust shall be responsible for all Defense Costs and Indemnity Payments allocable to a Triggered Policy Year in which no insurance coverage is available to Grace (whether on account of exhaustion, insolvencies or for any other reason).

VI. PAYMENT OF INDEMNITY AMOUNTS AND DEFENSE COSTS

A. Amounts due for Defense Costs and Indemnity Payments paid or incurred by the Grace Group or the Trust after April 2, 2001 shall be reimbursed in accordance with subsections B, C, D, E and F of this Article.

B. The Trust shall submit quarterly reports to the Subject Insurer, identifying Defense Costs and Indemnity Payments for Bodily Injury Claims within the scope of this Amended Agreement that have been paid by the Trust during the period covered by the report. Said quarterly reports shall identify for each Bodily Injury Claim the name of the claimant or injured person, the Triggered Policy Year(s), and the amount of any Indemnity Payments and any Defense Costs paid in connection therewith (or allocated

thereto in accordance with this Amended Agreement). All billings pursuant to this paragraph shall conform to the quota share percentage of a layer of coverage to which the Subject Insurer and any other Excess Insurer subscribed. The quarterly reports shall further allocate the Indemnity Payments and Defense Costs to each of the Excess Insurance Policies, including the Subject Insurance Policy, and to the Trust in accordance with this Amended Agreement.

C. The Trust will allocate payments to the Excess Insurance Policies and to the Subject Insurance Policy in the same order that actual payments for Bodily Injury Claims (Defense Costs and Indemnity Payments) are made by the Trust during the quarter.

D. Within thirty (30) days after receipt of a report setting forth the information specified in subsection B of this Article, the Subject Insurer shall make a payment to the Trust in an amount equal to its share of the total amount of the Defense Costs and Indemnity Payments shown on the report. If the Subject Insurer fails to make such payment to the Trust within sixty (60) days of such receipt, the Subject Insurer shall pay interest to the Trust on the unpaid amount thereof with interest for the period commencing on the thirty-first day after receipt of such report and ending on the date of payment at the rate of interest announced from time to time during such period by the main office of Citibank, N.A. in New York, N.Y. as its "prime rate" plus three percentage points. Any such interest payments shall not be counted in determining whether the products liability aggregate limits of the Subject Insurance Policy have been exhausted and shall be in addition to such limits. Should the Subject Insurer dispute any portion of the statement applicable to amounts payable by it, the Subject Insurer shall pay the

undisputed portion in accordance with this paragraph. The Parties recognize that because of the complexity of this arrangement and the amount of data required to perform the allocations, there will be instances where there are administrative or relatively insignificant errors in calculations. The Subject Insurer shall advise the Trust of the disputed items, and cooperate with the Trust to resolve the dispute. If the dispute is not promptly resolved, either Party may refer it to arbitration in accordance with Article XIV of this Amended Agreement. To the extent the Subject Insurer wishes to contest any allocation made by the Trust, then the burden shall be on the Subject Insurer to substantiate the allocations it believes are correct. Subject to the provisions in Article VIII, the Trust agrees that it will make reasonably available to the Subject Insurer all documentation in its possession in the event such documentation is requested by the Subject Insurer in order for the Subject Insurer to contest any allocation made by the Trust. Interest as set forth in this paragraph shall continue to accrue on any disputed amounts which the Subject Insurer becomes obligated to pay.

E. All payments by the Subject Insurer to the Trust shall be made in accordance with written instructions provided by the Trust to the Subject Insurer.

F. The Subject Insurer will not seek reimbursement of any payments made to the Trust pursuant to this Amended Agreement, whether by way of contribution, subrogation, reimbursement, indemnification or otherwise, from any Person, other than the Subject Insurer's reinsurers in their capacities as such. Notwithstanding the foregoing, if another insurer of the Grace Group pursues a claim sounding in contribution, subrogation, reimbursement, indemnification or otherwise against the Subject Insurer, then the Subject Insurer will be free to assert a claim sounding in

contribution, subrogation, reimbursement, indemnification or otherwise against such other insurer, to the extent permitted by the Joint Plan of Reorganization. To the extent that the Subject Insurer recovers a judgment or settlement against such other insurer with respect to a payment made under this Amended Agreement, the net proceeds thereof (i.e., less any fees, costs and expenses incurred by the Subject Insurer in prosecuting and defending such claim) will be distributed promptly to Grace or, after the Effective Date, to the Trust. Grace and the Trust will use their reasonable best efforts to obtain from all insurers with which they settle disputes regarding coverage for Asbestos PI Claims agreements similar to the conditions set forth in this Article VI(F).

G. Following the Effective Date, in the event that:

1. Grace, the Trust and/or any other Person becomes entitled to receive a payment from one or more of the insurers other than the Subject Insurer for any claims that have been released and discharged as against the Subject Insurer pursuant to this Amended Agreement; and
2. As a result of such other insurer's obligation to pay described in Article VI(G)(1) above, such insurer either:
 - a. enters into a settlement with the Subject Insurer, which settlement has been consented to by Grace or the Trust (as applicable) and such other Person, requiring the Subject Insurer to reimburse some or all of the payment made or to be made by such insurer; or

- b. obtains a final, non-appealable judicial or quasi-judicial determination or award entitling such insurer to obtain a sum certain from the Subject Insurer for contribution, subrogation or indemnification or other similar claim, against the Subject Insurer for the latter's alleged share or equitable share, or to enforce subrogation rights, if any, relating to such payment referenced in Article VI(G)(1) above,

the Person entitled to receive such payment shall voluntarily reduce the amount of payment to be received by such Person by the amount necessary to reduce or eliminate such settlement, determination or award against the Subject Insurer. To ensure that such a reduction is accomplished, the Subject Insurer shall be entitled to assert this Article VI(G) as a defense to any action against it for any such portion of the determination or award against the Subject Insurer and shall be entitled to have the court or appropriate tribunal issue such orders as are necessary to effectuate the reduction to protect the Subject Insurer from any liability for the determination or award. In any proceeding against other insurers in which Grace or the Trust makes a claim for insurance rights or benefits for any claim that may give rise to the events referenced in Article VI(G)(1) above, notice will be provided to the Subject Insurer of such claim within thirty (30) days of the time Grace or the Trust first becomes aware that such claim is reasonably likely to result in a claim against the Subject Insurer and shall consent to the Subject Insurer's intervention in any such proceeding to effectuate the intent of this Article VI(G).

VII. CLAIMS HANDLING

A. The Subject Insurer authorizes the Trust to handle all Bodily Injury Claims pursuant to the provisions of this Amended Agreement. The Subject Insurer shall have neither the right nor the duty to assume charge of defending or handling any Bodily Injury Claim. The Trust shall have the right, without prior approval or consent of the Subject Insurer, to settle any Bodily Injury Claim.

B. The Subject Insurer acknowledges that the insurers under the Excess Insurance Policies other than the Subject Insurance Policy may be obligated to reimburse the Trust for Defense Costs and Indemnity Payments with respect to Bodily Injury Claims before the Subject Insurer has any obligation to do so under this Amended Agreement. Any allocation made by the Trust in good faith pursuant to this Amended Agreement, prior to the time when any Defense Costs or Indemnity Payments are allocable to the Subject Insurance Policy under this Amended Agreement, shall be conclusive, whether such allocation involves allocating a Bodily Injury Claim to a Triggered Policy Year or allocating Defense Costs or Indemnity Payments for Bodily Injury Claims among the Excess Insurance Policies.

C. Nothing in this Amended Agreement obligates the Subject Insurer to make payments on the Trust's behalf, as opposed to reimbursing the Trust for monies the Trust has paid for Defense Costs and Indemnity Payments. Further, the Trust shall not seek reimbursement from the Subject Insurer, and the Subject Insurer shall have no obligation to pay, any expenses incurred by the Trust in administering the Trust.

VIII. COOPERATION ON DOCUMENT AND INFORMATION SHARING

A. Cooperation. The Trust agrees to obtain and retain, or cause its counsel to obtain and retain, documents regarding the allocations for all Bodily Injury Claims. TIG shall have the right at any time (including at such time(s) during which the Trust does not claim that TIG has any existing payment obligation), upon reasonable notice and at TIG's expense, to review all files of the Trust relating to the Bodily Injury Claims, including files containing the documents upon which the Trust relies in making allocations in accordance with this Amended Agreement, and including files that might otherwise be subject to the attorney-client privilege or work product doctrine.

B. Information Subject to Review. The files, information and documents subject to Article VIII(A) are limited to those in the possession of the Trust.

C. No Effect on Obligations Under This Amended Agreement. The review permitted by Article VIII(A), and any results of such a review:

1. shall not affect TIG's obligations to make payments under this Agreement;
2. shall not obligate the Trust to collect any information that it is not otherwise obligated to collect; and
3. shall not give TIG any right to challenge the allowance or payment of any Asbestos PI Claim by the Trust.

D. Furnishing Reports. At the sole discretion of the Trust, the obligations under Article VIII(A) may be satisfied by providing TIG on a quarterly and annual basis with a report concerning Asbestos PI Claims activity with respect to the time period that is the subject of TIG's request for relevant files, information and documents.

E. Disclosure of Confidential Materials. TIG shall not provide any report, results, files, information or documents obtained by TIG pursuant to this Article VIII (the “Materials”) to any other Person and shall keep the Materials confidential, except that TIG may provide the Materials (i) to accountants, auditors, other insurers, reinsurers, governmental authorities and other regulatory entities to which TIG has a duty to report; (ii) as necessary to prove the exhaustion of the Subject Insurance Policy; (iii) to the Arbitrator in connection with a proceeding under Article XV; (iv) with advance written notice to the Trust, when obligated pursuant to court order; and (v) with the prior written consent of the Trust; provided, however, that prior to any such disclosure, the Persons to whom the Materials are to be disclosed pursuant to subparagraphs (i), (ii), (iii) and (v) must agree in writing to abide by the confidentiality provisions set forth herein. TIG shall exercise its best efforts to maintain the confidentiality of the Materials, including seeking a protective order in any proceeding in which it uses the Materials.

F. Use of the Materials. TIG may use the Materials solely in connection with:

1. the Bankruptcy Case;
2. in any proceeding to obtain reinsurance with respect to payments made pursuant to this Amended Agreement;
3. TIG’s compliance with applicable laws or regulations; or
4. an arbitration proceeding pursuant to Article XV.

For the avoidance of doubt, TIG may not use the Materials to build a database of information regarding Asbestos PI Claims or claimants for use other than in the Bankruptcy Case or in pursuit of reinsurance for payments made pursuant to this Amended Agreement.

G. Confidentiality Agreement. As soon as practicable following the Effective Date, TIG and the Trust will enter into a written Confidentiality Agreement that will include the following provisions:

1. TIG will reimburse the Trust for the reasonable costs incurred by the Trust and the Trust's claims processor in assembling the requested files;
2. The Trust may fulfill its obligations under this Article VIII by providing files in electronic format;
3. TIG will return or destroy the Materials once all reinsurance issues are resolved;
4. The Parties agree that the furnishing of the Materials by the Trust to TIG will not affect the confidential nature of the Materials or waive any applicable privileges or protections;
5. TIG will implement adequate policies and procedures, including the erection of appropriate ethical walls, to ensure that the Materials are not used in any manner other than as permitted under this Amended Agreement; and
6. In the event that disclosure of the Materials is sought from TIG pursuant to a lawful subpoena or other process, TIG will immediately notify the Trust of the request for disclosure.

H. No Full Social Security Numbers. Notwithstanding any of the foregoing, nothing in this Article VIII shall obligate the Trust to provide the Social Security Identification Number of any claimant beyond the last four digits.

IX. RELEASE AND DISMISSAL OF CERTAIN CLAIMS

A. Release by Grace, the Debtors, the Grace Group and the Trust. Upon the Execution Date, but subject to the Approval Order becoming a Final Order, Grace, on behalf of itself, the Debtors, and, to the extent it has the right, power or authority to bind them, the Grace Group, and the Trust hereby release and forever discharge the Subject Insurer from any and all:

1. Obligations based on or arising out of the Subject Insurance Policy with respect to any Bodily Injury Claims and Non-Asbestos Products Liability Claims; and
2. Claims which they may have, arising under common or statutory law, against the Subject Insurer for breach of the covenant of good faith and fair dealing (including however else a claim of “bad faith” or for “extra-contractual damages” may be characterized) in connection with the claims, losses and/or payments that are within the scope of this Amended Agreement, arising at any time in the past up to and including the date of this Amended Agreement.

Notwithstanding the foregoing, the Subject Insurer is not released from any of its obligations under this Amended Agreement.

B. Release by the Subject Insurer. Upon the Execution Date, but subject to the Approval Order becoming a Final Order, the Subject Insurer releases and forever discharges Grace, the Debtors, the Grace Group and the Trust from any and all:

1. Obligations based on or arising out of the Subject Insurance Policy, including obligations to pay any premiums, deductibles,

self-insured retentions, retrospective premiums or other similar charges, with respect to any Bodily Injury Claims and Non-Asbestos Product Liability Claims; and

2. Claims which it may have, arising under common or statutory law, against Grace, the Debtors, the Grace Group and the Trust for breach of the covenant of good faith and fair dealing (including however else a claim of “bad faith” or for “extra-contractual damages” may be characterized) in connection with the claims, losses and/or payments that are within the scope of this Amended Agreement, arising at any time in the past up to and including the date of this Amended Agreement.

Notwithstanding the foregoing, Grace, the Debtors, the Grace Group and the Trust are not released from any of their obligations under this Amended Agreement.

X. CONFIDENTIALITY

A. The Parties agree that all information relating to the negotiation of this Amended Agreement (collectively referred to as “Information,” except that such term does not include information that is or becomes available other than as a result of an act or omission of any of the Parties) shall be confidential and is not to be disclosed except as follows:

1. The fact that the Parties have entered into this Amended Agreement may be disclosed to any Person;
2. The Information may be disclosed as necessary to obtain an Approval Order from the Bankruptcy Court;

3. The Information may be disclosed by order of court, or pursuant to a written agreement of the Parties;
4. The Information may be disclosed by the Subject Insurer to its reinsurers, directly or through intermediaries;
5. Grace or the Trust may disclose the Information to other insurers and their representatives;
6. The Information may be disclosed to outside auditors or accountants of any Party or to the Internal Revenue Service;
7. A Party may disclose the Information to its accountants, to its counsel, to underwriters in connection with offerings of securities to be issued by such Party and to counsel for such underwriters; and
8. The Information may be disclosed in any action brought to enforce the terms of this Amended Agreement;

provided, however, that a Party making disclosure of any of the Information pursuant to one of the exceptions set forth in clauses (3) through (7) above shall inform any Person to which such disclosure is made of the confidential nature of the Information and of the understanding upon which it has been disclosed and shall use reasonable efforts to obtain the agreement of such Person to hold the Information in confidence.

B. A Party may describe and/or make reference to this Amended Agreement to the extent that such disclosure is required to comply with any statute, rule or other requirement of any government or governmental agency or other authority. Without limiting the foregoing, the Parties agree that Grace may describe and/or make reference

to this Amended Agreement in a Current Report on Form 8-K, a Quarterly Report on Form 10-Q, an Annual Report on Form 10-K or any other report or filing that, on advice of counsel, Grace is required to make pursuant to the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, and in any financial statements and/or related notes included or incorporated by reference in any such report or filing.

C. In the event a court, litigant or governmental body requests or requires disclosure of any Information protected by this Article X, the Party from whom disclosure is sought shall immediately give written notice to the other Party in order to allow each Party to take such protective steps as may be appropriate.

D. Information protected by this Article shall be deemed to fall within the protection afforded compromises and offers of compromise by Rule 408 of the Federal Rules of Evidence and similar provisions of state law or state rules of court.

XI. INDEMNIFICATION

A. Following the Effective Date, the Trust shall indemnify and hold the Subject Insurer harmless from and against any and all liability (except as otherwise provided in subsections B, D, & H of this Article, and excluding any attorneys' fees or other costs or expenses) imposed upon the Subject Insurer as a result of any claims, demands, lawsuits, causes of action or proceedings that are asserted, initiated or continued by any Person not a party to this Amended Agreement against the Subject Insurer that are based upon the Subject Insurance Policy and constitute Bodily Injury Claims that are Asbestos PI Claims subject to the Asbestos PI Channeling Injunction. (The matters for which the Trust is obligated pursuant to this Article to indemnify and hold harmless the Subject Insurer are hereinafter referred to as "Indemnifiable Claims.")

B. The Trust's obligation to indemnify the Subject Insurer for Indemnifiable Claims with respect to the Subject Insurance Policy shall be subject to an aggregate limit equal to the aggregate amount reimbursed to Grace and/or the Trust by the Subject Insurer with respect to such Subject Insurance Policy for Defense Costs and Indemnity Payments under this Amended Agreement. Once the Trust has paid liabilities for Indemnifiable Claims of the Subject Insurer in an amount equal to such reimbursed amount, the Trust shall not be obligated to indemnify the Subject Insurer for further Indemnifiable Claims with respect to the Subject Insurance Policy.

C. As soon as practicable after receipt by the Subject Insurer of notice of any complaint or the commencement or continuation of any action or proceeding that constitutes an Indemnifiable Claim, the Subject Insurer shall notify the Trust in writing of such Indemnifiable Claim.

D. Any failure by the Subject Insurer to promptly notify the Trust of any Indemnifiable Claim shall relieve the Trust from any indemnification obligation with respect thereto.

E. After the Trust receives any notice of an Indemnifiable Claim pursuant to subsection C of this Article, the Trust shall promptly notify the Subject Insurer whether the Trust will assume the defense of the Subject Insurer against such Indemnifiable Claim. If the Trust elects to assume the defense of such Indemnifiable Claim, the Trust shall select counsel to represent the Subject Insurer (which may include counsel presently representing Grace) and the Trust shall assume the payment of the fees and disbursements of such counsel, except that the Trust's selection of counsel to represent the Subject Insurer shall be subject to the consent of the Subject Insurer, which consent

shall not be unreasonably withheld. In any action or proceeding in which the Trust assumes the defense of the Subject Insurer, the Subject Insurer shall have the right to participate in such litigation and to retain its own counsel at the Subject Insurer's own expense.

F. The Trust and the Subject Insurer shall consult to the extent practicable about all decisions to be made, either procedural or substantive, by counsel retained on behalf of the Subject Insurer pertaining in any material manner to the Subject Insurer in the defense of any Indemnifiable Claim. In the event the Parties are unable to agree, the final decision with respect to the defense of the Subject Insurer, either procedural or substantive, shall rest with the Trust, except that the Trust shall allow the Subject Insurer complete control over the positions asserted in the interpretation of the language of the Subject Insurance Policy. The Trust shall keep the Subject Insurer apprised in a timely manner of all significant developments in such defense and shall provide the Subject Insurer at its request with status reports that advise the Subject Insurer of such developments.

G. Any settlement or compromise made by the Trust on behalf of the Subject Insurer with respect to an Indemnifiable Claim shall provide that it is not an admission of liability by the Subject Insurer and is without precedent beyond the scope of the matters addressed by such compromise or settlement. The Trust shall give notice and provide reasonable and timely disclosure as soon as is practicable to the Subject Insurer of any proposed settlement or compromise. The Subject Insurer shall have such time as is practicable to review the proposed settlement or compromise and to present its views to the Trust, but no such settlement or compromise shall require the Subject Insurer's

approval. The Trust shall use its best efforts to keep such settlement or compromise confidential.

H. If the Trust declines to assume the defense of any Indemnifiable Claim, then the Subject Insurer shall employ counsel to defend against such Indemnifiable Claim, and the Subject Insurer shall pay the reasonable fees and disbursements of such counsel. If the Subject Insurer, without previously obtaining the Trust's consent, which consent shall not be unseasonably withheld, settles any Indemnifiable Claim that the Trust has declined to assume, then the Trust shall be relieved of any obligation to indemnify the Subject Insurer for such settlement. The Subject Insurer shall use reasonable efforts to keep such settlement or compromise confidential.

I. Nothing herein shall constitute any waiver of the Subject Insurer's attorney-client privilege, which privilege shall extend only to such counsel retained to represent the Subject Insurer and shall not extend to the Trust or its counsel unless specifically agreed by the Subject Insurer in writing with reference to a particular attorney-client communication.

J. The Subject Insurer and the Trust shall cooperate reasonably with each other with respect to Indemnifiable Claims. If the Trust has assumed the defense of any action or proceeding, the Subject Insurer shall comply in a timely manner with requests for access to documentation or information made by the Trust's appointed counsel for purposes of defense. If the Trust has declined to assume the defense of any action or proceeding, the Trust shall comply in a timely manner with any of the Subject Insurer's requests for access to documentation or information made by the Subject Insurer for purposes of such defense.

K. For the avoidance of doubt, amounts paid by the Trust pursuant to this Article X to or on behalf of the Subject Insurer in connection with Indemnifiable Claims shall be paid in full within sixty (60) days and shall not be subject to any Payment Percentage as described in Section IV of the Trust Distribution Procedures.

XII. PUNITIVE DAMAGES

The Subject Insurer shall have no obligation under the Subject Insurance Policy or otherwise to reimburse or indemnify the Trust or Grace for fines, penalties, punitive or exemplary damages, or any damages to the extent that the amount is a multiple of the compensatory damages.

XIII. BANKRUPTCY-RELATED OBLIGATIONS

A. Committee and Futures Representative Approval. Promptly following the Execution Date, Grace will use its reasonable best efforts to obtain the written approval of the Committee and the Futures Representative with respect to this Amended Agreement.

B. Approval Motion. Promptly following the Execution Date, Grace will prepare and file a motion seeking entry of the Approval Order with the Bankruptcy Court, which motion will be in form and substance satisfactory to the Parties. Grace will use its reasonable best efforts promptly to obtain entry of the Approval Order, and promptly to obtain entry of the Approval Order as a Final Order. The Subject Insurer, at its own expense, will cooperate with Grace in obtaining the Approval Order.

C. Order. Grace will use its reasonable best efforts to cause the Bankruptcy Court to enter an order providing, among other things:

1. That the terms of this Amended Agreement are approved in their entirety, and that Grace is authorized to take all actions necessary to implement and effectuate the terms of this Amended Agreement;
2. That this Amended Agreement will be designated an Asbestos Insurance Settlement Agreement, and that the Subject Insurer will be designated as a Settled Asbestos Insurance Company, with respect to the Subject Insurance Policy and the claims released herein on Exhibit 5 of the Exhibit Book to the Joint Plan of Reorganization; and
3. That the Trust, upon its creation, will be bound to the provisions of this Amended Agreement with the same force and effect as if the Trust was a Party to this Amended Agreement from the Execution Date, provided that the Joint Plan of Reorganization is confirmed.

D. Withdrawal of Settled Asbestos Insurance Company Designation. In the event that, at any time after the Effective Date, the Trust believes that the Subject Insurer has failed to make a payment as required by Article VI of this Amended Agreement, the Trust will provide the Subject Insurer with written notice of default. The Subject Insurer will have thirty (30) days from the date of receipt of the notice of default to cure or dispute any claimed default in writing. In the event that the Subject Insurer does not cure or dispute the claimed default within thirty (30) days of receipt of the notice, the Trust may give notice of its intent to withdraw the designation of the Subject Insurer as a Settled Asbestos Insurance Company with respect to the Subject Insurance Policy. In the

event that the Subject Insurer disputes the existence of a default in writing within thirty (30) days of receipt of the notice of default or receipt of the notice of the Trust's intent to withdraw the designation, and the Trust and the Subject Insurer are unable to resolve the dispute, the Trust and the Subject Insurer shall submit the dispute to arbitration pursuant to Article XV. In the event that the Subject Insurer neither cures the default nor disputes the existence of a default within thirty (30) days of receipt of the notice of default or receipt of the notice of intent to withdraw the designation, or the Arbitrator finds that the Subject Insurer defaulted on its payment obligation under this Amended Agreement, the Trust may withdraw the designation of the Subject Insurer as a Settled Asbestos Insurance Company, unless the Subject Insurer cures the default within thirty (30) days of the Arbitrator's decision, or within such shorter period of time as the Arbitrator may order.

E. Trust as a Party. Upon the Effective Date, the Trust automatically and without need for further action will become a Party to this Amended Agreement.

F. Suspension of Bankruptcy-Related Activities. Following the Execution Date, the Subject Insurer (1) will suspend prosecution of all of its objections to the Joint Plan of Reorganization or plan-related documents, to confirmation of the Joint Plan of Reorganization, or to the Debtors', Committee's or Futures Representative's motions or applications pending in the Bankruptcy Case (including any appeals of decisions in the Bankruptcy Case); (2) will take no further actions of any nature (including filing new objections to the Joint Plan of Reorganization and initiating or taking discovery) that may hinder, delay or oppose actions of the Debtors, the Committee or the Futures Representative in the Bankruptcy Case; and (3) will not oppose the entry of a

Confirmation Order; provided, however, that in the event that the Bankruptcy Court does not issue an Approval Order or the Approval Order does not become a Final Order, the Subject Insurer may renew prosecution of its objections, to the extent practical consistent with the Court's scheduling orders.

G. Withdrawal of Objections. Upon the Bankruptcy Court's Approval Order becoming a Final Order, the Subject Insurer shall withdraw all of its objections to the Joint Plan of Reorganization or plan-related documents, to confirmation of the Joint Plan of Reorganization and to the Debtors', Committee's or Futures Representative's motions or applications pending in the Bankruptcy Case (including any appeals of decisions in the Bankruptcy Case), and expressly consents to the assignment of Asbestos Insurance Rights as provided in the Asbestos Insurance Transfer Agreement, Exhibit 6 of the Exhibit Book to the Joint Plan of Reorganization.

XIV. TERMINATION

A. After the Execution Date, this Amended Agreement shall terminate upon the occurrence of any of the following events:

1. The failure of the Committee and the Futures Representative to consent in writing to this Amended Agreement within thirty (30) days of the Execution Date; or
2. The entry of an order of the Bankruptcy Court denying approval of this Amended Agreement or the entry of an order by the District Court reversing the Approval Order; or

3. The failure of the Effective Date to occur, coupled with circumstances that make clear that the Effective Date will never occur; or
4. The entry of an order by the Bankruptcy Court dismissing the Bankruptcy Case or converting it into a Chapter 7 case.

B. The Subject Insurer shall have the option to terminate this Amended Agreement by providing written notice of termination to Grace, the Trust (if it is then in existence), the Committee and the Futures Representative within thirty (30) days of the occurrence of any of the following events:

1. The entry of an order that becomes a Final Order stating that the Subject Insurer is not a Settled Asbestos Insurance Company or that this Amended Agreement is not an Asbestos Insurance Settlement Agreement; or
2. The confirmation of a Joint Plan of Reorganization that materially and adversely affects the interests of the Subject Insurer under this Amended Agreement; or
3. The modification of the Asbestos PI Channeling Injunction in such a way as to materially and adversely affect the interests of the Subject Insurer under this Amended Agreement.

Failure by the Subject Insurer to give timely notice of the exercise of its option to terminate this Amended Agreement will be deemed a permanent waiver of the option to terminate with respect to that condition.

C. In the event that this Amended Agreement is terminated pursuant to Article XIV(A) or (B):

1. This Amended Agreement shall be of no further force and effect, and the Parties shall have no further obligations under this Amended Agreement, except the obligations set forth in Article IX, which shall survive termination; and
2. The 2000 Agreement and any other agreements in effect between the Parties prior to the execution of this Amended Agreement will remain in force and effect as if this Amended Agreement had never existed.

XV. ARBITRATION

A. The Parties agree to resolve any dispute which arises regarding the terms of this Amended Agreement or the implementation thereof (a “Dispute”) by way of binding arbitration in accordance with the Center for Public Resources Rules for Non-Administered Arbitration of Business Disputes (the “Rules”) and the provisions of this Article.

B. In the event any Dispute arises that the Parties are unable to resolve by agreement, any Party to such Dispute shall have the right to commence binding arbitration of such Dispute under this Article by sending written notice demanding such arbitration to the other Party in accordance with Article XVI. Such notice shall briefly describe the Dispute as well as the relief sought by the Party demanding arbitration. Promptly following any such notice, the Parties shall attempt to agree upon the selection of an arbitrator (the “Arbitrator”) to resolve such Dispute. If the Parties have not agreed upon the selection of the Arbitrator by the fifteenth (15th) day following delivery of the notice demanding arbitration, then any Party may request the Center for Public Resources

to select the Arbitrator, provided that any Arbitrator selected by the Center for Public Resources shall be a retired federal or state court judge with no current or prior business dealings with the Subject Insurer, the Grace Group or the Trust unless the Parties agree to waive any such requirement after the disclosure by the Arbitrator of any such current or prior business dealings with the Subject Insurer, the Grace Group or the Trust. Any such selection of the Arbitrator by the Center for Public Resources shall be conclusive and binding on the Parties.

C. All arbitrations under this Article shall be conducted in accordance with the Rules and the Parties shall faithfully abide by the Rules and abide by and perform any award rendered by the Arbitrator. All such arbitrations shall be governed by the United States Arbitration Act, 9 U.S.C. §§ 1-16, and judgment upon the award may be entered by any court having jurisdiction thereof. Any such arbitration shall be conducted in New York, New York; provided, however, that the Parties' agreement on New York, New York as the venue for such arbitration shall not affect their rights to assert that the substantive law of a jurisdiction other than New York shall apply to a particular Dispute.

XVI. NOTICES

A. All notices, requests, demands and other communications required or permitted to be given under this Amended Agreement shall be deemed to have been duly given if in writing and delivered personally or by overnight courier, or mailed first-class, postage prepaid, registered or certified mail (except that reports under Article VI or Article VIII need not be sent by registered or certified mail), addressed as follows:

XVII. NO MODIFICATION

This Amended Agreement may be amended, modified, superseded or canceled, and any of the terms hereof may be waived, only by a written instrument which specifically states that it amends, modifies, supersedes or cancels this Amended Agreement, executed by or on behalf of all of the Parties or, in the case of a waiver, by or on behalf of the Party waiving compliance. The failure of a Party at any time or times to require performance of any provision of this Amended Agreement shall in no manner affect the right at a later time to enforce the same. No waiver by a Party of any condition, or of any breach of any term, covenant, representation or warranty contained in this Amended Agreement, in any one or more instances, shall be deemed to be or construed as a further or continuing waiver of any such condition or breach, or a waiver of any other condition or of any breach of any other term, covenant or warranty.

XVIII. INTEGRATION

This Amended Agreement, including the attachments hereto, constitutes the entire agreement and understanding among the Parties with respect to the subject matter hereof, and supersedes all prior agreements, arrangements and understandings relating to the subject matter hereof. For the avoidance of doubt, this Amended Agreement supersedes the 2000 Agreement, which will have no further force and effect, unless this Amended Agreement is terminated in accordance with Article XIII.

XIX. AUTHORITY

B. Grace represents and warrants to the Subject Insurer that all necessary corporate approvals have been obtained for its execution and delivery of this Amended Agreement to the Subject Insurer.
